Letter of Recommendation

In this time of Thanksgiving, the parish family of St. Paul Catholic Church is truly grateful for the recent restoration of our 57 year old church. As their pastor I write on behalf of our entire congregation this letter of recommendation for the Korte-Luitjohan Company.

We met with and hired this company and asked Mr. Del Scott to become our General Manager for this important restoration. Our parish leader, Mr. Bruce Capelle, who designed the restoration, met with Mr. Scott, as well as Mr. Cyril "Pete" Korte and Mr. Greg Korte in the beginning of this project. We were to be using many groups whose services were needed for this restoration. Mr. Scott was very thorough in keeping the task on time and keeping everyone responsible to their part of this restoration. Del was always ready and willing to get us the answers we needed quickly and was great with communicating to all involved what needed to be done at the appropriate time.

Using marble from Italy was a difficult part of this restoration, and I feel confident in saying we could have never pulled this off in this timely fashion if it was not for Del Scott. The Korte Luitjohan company was outstanding to work with. Their professional work has brought about the incredible transformation of our "new" sanctuary. Hundreds of people have over and over commented to me on how beautiful this restoration is.

I recommend this fine and reputable company to all churches and to all businesses seeking to hire a construction company who you can trust and have faith in that they will certainly deliver the results and even go beyond your expectations. Anyone is welcome to visit us to see our project we have been blessed to have them do for us. We will always be “thankful” for their great service to St. Paul Parish.

Sincerely yours in Christ,
